

Questions and Answers
Category 3 - Chemical Agent Detectors
RFQ-DC-03-00228

- 1) Question: Chemical Agent Detector software in this solicitation refers to software loaded to a computer as an option to the basic instrument?

Answer: Yes, to load into computer to download data from instrument.

- 2) Question: Centech AP2Ce or equivalent and the Barringer Chemical Agent APD 2000 or equivalent list accessories are these one time purchases?

Answer: Price all listed accessories as part of the initial purchase. However, due to the possibility of these items being re-occurring purchases provide individual prices for each listed item.
